★ F-1 students: You must report your change of address

If you move to a new residence and your address changes, you must report this to your Designated School Official (DSO) within 10 days of the change. You may communicate this revision to your DSO in person, by phone or via email. Once you do, your DSO will input the new information in your SEVIS record.

Remember, if your physical address and mailing address in the US are different, your DSO must have both.

Remember, if SEVP tries to contact you while your address is not correct in SEVIS, you will be unable to receive the message and to respond in a timely matter. This could put your SEVIS record at risk for termination.

If you have a question about a notice you received from SEVP, speak with your DSO. Your DSO can answer any questions you may have regarding your information in SEVIS.

PRIVATE LIVING

Renting a private apartment as an international student can be challenging. As a non-American, you will be asked to provide extra guarantee to secure payment. Also, generally rental leases are signed for one full academic year (starting in August).

Apartments are available near campus. The average price of rent for a shared unit is **$300 per person per month, excluding utilities** (electricity, gas, etc.) Extra features such as TV cable, laundry and Internet are sometimes included. Landlords require a security deposit to be prepaid. You must also pay in advance for utility, facilities, and services to be started. Move-in costs can be as high as $1,000.

<tr>
<th><strong>GLOSSARY OF RENTAL TERMS</strong></th>
</tr>
</thead>
<tbody>
<tr>
<td><strong>Lease</strong></td>
</tr>
<tr>
<td>A legal contract signed by both the manager and the renter regarding the length of stay, price, and conditions of a rental agreement. It is important to not sign a lease for more than the amount of time you will stay. You are responsible for rent the entire length of the lease. Violation of the lease agreement can result in a heavy financial penalty. Residents should understand all of the conditions of the lease before signing. Any negotiated variation should be set out in writing, initialed, and dated by both the tenant and the manager as an amendment to the lease.</td>
</tr>
<tr>
<td><strong>Credit Check</strong></td>
</tr>
<tr>
<td>A process in which the landlord verifies your credit history and confirms your bank information. International students or scholars who do <strong>not</strong> have a credit history in this country should not need to pay for a credit check, but it may be necessary to negotiate an agreement with the landlord in this case.</td>
</tr>
<tr>
<td><strong>Deposit or Security Deposit</strong></td>
</tr>
<tr>
<td>An additional amount you must pay when moving into an apartment (usually at least one or two month's rent) to guarantee occupancy, payment of rent, repair of damages, and professional cleaning after you leave. In most cases, the deposit is returned to you in full to you if there is no damage to your apartment at the end of your stay (there may be a slight deduction for cleaning). Inspect the apartment carefully when moving in and record any damages, so you won’t be charged when moving out.</td>
</tr>
<tr>
<td><strong>First, Last, Deposit</strong></td>
</tr>
<tr>
<td>This means that to move in, you must pay the first and last month’s rent amount, plus the security deposit amount. Most rental apartments require this, but it is possible to find those that only require the deposit amount and the first month’s rent.</td>
</tr>
<tr>
<td><strong>Rent</strong></td>
</tr>
<tr>
<td>Payment made for living accommodations, usually on a monthly basis.</td>
</tr>
<tr>
<td><strong>Utilities</strong></td>
</tr>
<tr>
<td>The term used for the extra charges for gas, electricity, cable television, and water. Plan on spending an extra $25-$100 per month depending on your lifestyle. Some students are careful about finding &quot;gas stoves&quot; and &quot;non- halogen lamps&quot; as they use less energy.</td>
</tr>
<tr>
<td><strong>Sublet</strong></td>
</tr>
<tr>
<td>Special arrangement where you live in someone's apartment in their place. Sublets are attractive because they are often short- term opportunities with furnished rooms and no deposit. However, it is usually best to ask the person renting if their manager or landlord knows about your agreement, in case the lease prohibits you from taking his / her place.</td>
</tr>
<tr>
<td><strong>A/C or AIR</strong></td>
</tr>
<tr>
<td>Air-conditioning</td>
</tr>
<tr>
<td><strong>BR or BDRM</strong></td>
</tr>
<tr>
<td>Bedroom</td>
</tr>
<tr>
<td><strong>2/2 or 3/2</strong></td>
</tr>
<tr>
<td>The first number indicates the number of bedrooms in the apartment. The second number indicates the number of bathrooms. Bathroom facilities include bathtub and/or shower, toilet (WC), and wash basin.</td>
</tr>
<tr>
<td><strong>ABP</strong></td>
</tr>
<tr>
<td>All bills paid. Your utilities (water, electricity, gas, sewage, garbage collection) have been included in your rent. You only have to arrange for telephone service.</td>
</tr>
<tr>
<td><strong>W/D</strong></td>
</tr>
<tr>
<td>Washing machine and clothes dryer are provided.</td>
