

DOMESTIC VIOLENCE UPDATE

*Legal & Social Science Update for
California Rule of Court 5.230*

Friday, November 9, 2012

8:30AM-4:00PM | Colusa Hall at CSU, Chico

Learning Objectives:

- ▶ Identify changes in civil and criminal laws affecting domestic violence survivors, perpetrators, and their children
- ▶ Explore the continuing changes in Family Courts as a result of the Judicial Council's Elkins Task Force
- ▶ Understand the requirements surrounding and options available for children wishing to participate in child custody cases in Family Court
- ▶ Increase general knowledge of trauma-informed concepts, research, and resources
- ▶ Apply trauma-informed approaches to discussing challenging issues related to service provision (domestic violence, substance abuse, negative coping, and self-harm)
- ▶ Learn specific interventions for working with clients and care-givers, especially ones who have unsafe coping strategies, such as substance abuse, suicidal thoughts, aggression, or isolating

Presenters:

**Emberly C. Cross, JD MSW, Coordinating Attorney,
Cooperative Restraining Order Clinic, San Francisco CA**

Emberly Cross has been the Coordinating Attorney at the Cooperative Restraining Order Clinic in San Francisco since 1996, helping survivors of domestic violence, sexual assault, and stalking obtain restraining orders and child custody and support orders. She sits on the California Judicial Council's Family and Juvenile Law Advisory Committee and on the Administrative Office of the Court's Violence Against Women Education Project Planning Committee. She has been a member of the California Partnership to End Domestic Violence's Public Policy and Research Committee since 1995, and routinely conducts trainings on restraining orders as well as domestic violence legislative and social science updates in the Bay Area and throughout California.

**Gabriella Grant, MA, Director, California Center of
Excellence for Trauma Informed Care, Santa Cruz, CA**

Gabriella Grant is the director of the California Center of Excellence for Trauma Informed Care, located in Santa Cruz, California, overseeing the Center's research, program and professional development, and policy analysis activities. Since 2009, she has been a trainer and consultant for Treatment Innovations, the developer of Seeking Safety: A Treatment for PTSD and Substance Abuse; she has trained dozens of agencies in the use of the model. Ms. Grant trains professionals on an array of topics: trauma, substance abuse, PTSD, unsafe behaviors, eating disorders, problem gambling, domestic violence, sexual assault and child abuse.
