A MESSAGE FROM OUR DIRECTOR

2016-17 Annual Director’s Report touts highlights; presents new initiatives

People often share with me how OLLI at CSU, Chico profoundly changed them, how their classes and out-of-classroom experiences teach them to see themselves and the world differently, and how this program helps them build lasting friendships. OLLI staff and volunteer leaders work hard to deliver the kind of programming and events that enhance members’ experiences and help build value. It involves behind-the-scenes number crunching, planning, outreach, and research that occur regularly in meeting rooms, at members’ homes, or over coffee at Beatniks.

In the 2016-17 Director’s Report I am delighted to share some successes that these efforts make possible, and I encourage you to take a few minutes to read the report. None of this would be possible without the continued support and engagement of our members. Thank you for helping us expand lifelong learning opportunities in Chico and surrounding communities, and may this report help you feel more informed and connected to the process!

Warmly,

Ann Nikolai
