

# Welcome!

OLLI at CSU, Chico offers a cultural feast celebrating a wide array of interests in history, literature, the natural and social sciences, fine arts, and current events. Whether it involves the discovery of your genealogical heritage or finding your singing voice, there is something for everyone.

Interested in enhancing your financial life? OLLI offers classes in estate planning, investing, and retirement strategies. Thinking about using the extra cash to travel? Learn a second language, explore the world, or upgrade your photo skills.

Need to move your body? Classes in dance are fun, as is walking, hiking, Tai Chi, birding, and visiting local parks. Try relaxation techniques through meditation or mindfulness for health.

Treat yourself to new experiences and delight in human creation, with more than a dozen classes in music and the arts, like singing, guitar, ukulele, coloring, painting, and museum tours. All of these are made possible by our volunteer instructors, called Peer Leaders, who share their talents and passions with our membership. Now is the time to learn, play, and be an active part of OLLI's extraordinary community. Enjoy!
