

DEGAS, IMPRESSIONISM, AND THE PARIS MILLINERY TRADE

Pre-Trip Lecture • Craig Hall, Gordon 1 • Thursday, Sept 7 • 1–2:30PM
 Bus Trip to Museum • Thursday, Sept 14 • 7:45AM–8PM

Join us on our Fall 2017 Museum Trip to the Legion of Honor in San Francisco. A pre-trip lecture will be offered by artist Dolores Mitchell.

Degas, Impressionism, and the Paris Millinery Trade features approximately 40 Impressionist paintings and pastels, including key works by Degas—many never before exhibited in the United States—as well as those by Pierre-Auguste Renoir, Édouard Manet, Mary Cassatt, Henri de Toulouse-Lautrec and 40 exquisite examples of period hats. The exhibition will be the first to examine the height of the millinery trade in Paris, from around 1875 to 1914, as reflected in the work of the Impressionists. At this time there were around 1,000 milliners working in what was then considered the fashion capital of the world. In a time when milliners were considered the aristocracy of Parisian fashion workers, Paul Gauguin wrote that Degas went “into ecstasies in front of the milliners’ shops.”

Dolores Mitchell will give a pre-trip talk about the exhibit at Craig Hall, Gordon 1. In this pre-trip lecture about “Degas, Impressionism, and the Paris Millinery Trade,” retired CSUC art historian Dolores Mitchell shares published research on Degas and Manet, and explores painting techniques, compositions and psychological aspects of the Legion of Honor exhibit.

Reserve your seat for this Signature Exhibition today!

Tickets are limited! Museum admission is selling out quickly. **Registration & payment due by August 21.**
