Osher Lifelong Learning Institute (OLLI) at CSU, Chico is a program for lifelong learners age 50 and better or retired. OLLI offers a unique way to explore new topics (without exams or grades!), discuss current events, network with our community, and take day trips to theaters, gardens, museums, and more.

Membership in our Greater Butte County Chapter allows you to take all classes in Paradise, Oroville, and other locations outside Chico. You can also participate in special activities and trips open to all OLLI members.

Greater Butte County Chapter Membership: Spring ‘18 Only: $45
