

# Welcome!

Remember summer camp? Whether it was for scouts, sports, or church; math, science, or music, summer camp offered new adventures, lasting friendships, and the fun of learning something new.

In that spirit, OLLI's Summer Term includes academic courses, "summer camp experiences," and even field trips! You'll find continuing favorites like Tuesday Tunes and OLLI Book Group, as well as new classes teaching drawing, finance, and what travel was like in Medieval England! If you feel like getting outside, you can hit the trails with OLLI Hikers, head for the hills to explore the flowers of Butterfly Valley or Sierra trees, get your feet wet kayaking on the Forebay, or get insider access to the Big Chico Creek Ecological Reserve, where you can learn about its restoration and research efforts, and even participate with them in the North American Butterfly Association's Butterfly Count, a citizen science event.

## YOU'RE INVITED!

Bring family & friends to the OLLI Summer Class Preview. Visit with other OLLI members, preview upcoming courses, and meet our Peer Leaders.

**Acrylic Painting Step by Step**

**Peer Leader(s):** Christine MacShane  
**Wednesday(s),** Jun 06–Jun 27 • 1 PM–3 PM  
**Location:** Christine Mac Shane’s Studio

A hands on class using acrylic paint and mixed medias that introduces the beginner painter (and refreshes the seasoned artist) to the medium. We will look at composition, color choices, color mixing and technique in relation to choice of subject. *Special Note(s): This class will focus on a new series of painting and will include beginner and intermediate material. Material cost is \$40.*

**Administering a Decedent's Estate-Important Things to Know**

**Peer Leader(s):** Cheryl Tyree  
**Wednesday(s),** Jun 06 • 10:30 AM–12:30 PM  
**Location:** Craig Hall: Bradley 2

This is a 2 hours long 1 day workshop that will focus on the duties and responsibilities of a Trustee or Executor in the administration of a decedent's estate. We will discuss the role of the Trustee and Executor as well as the purpose and function of legal and financial professionals in assisting with them. We will also examine some of the pitfalls and obstacles Trustees and Executors may encounter and methods of avoiding or minimizing them.

**Behind the Scenes at Laxson Auditorium**

**Peer Leader(s):** Stephen Cummins; Karen Avis  
**Tuesday(s),** Jun 05–Jun 26 • 9:30 AM–11 AM  
**Location:** Laxson Auditorium

Ever wondered what it takes to bring world-class artists to Chico's venerable Laxson Auditorium? How are shows selected each year? How much do some of the headliner performances cost? What sort of special requests do artists have when they're here? In this four-week class, Executive Director for University Public Engagement Stephen Cummins and his staff will talk about bookings, contracts, community outreach, and marketing for one of this town's premier attractions. A backstage tour, including the Ghost of Laxson and equipment demonstration, will punctuate the experience.

**Big Chico Creek Ecological Reserve’s Annual Butterfly Count**

**Peer Leader(s):** Jon Aull; Don Miller  
**Friday(s),** Jun 01 • 8 AM–4 PM  
**Location:** Big Chico Creek Ecological Reserve

Spend a day with the experts, learn about the butterflies and contribute to science at the beautiful BCCER. Join us for the North American Butterfly

Association (NABA)’s Butterfly Count, a citizen science event that celebrates the butterfly diversity of the continent. You'll gather local data by counting the number of butterflies and species within the count circle centered on the Reserve. These data become part of a database that allows scientists to answer important questions about butterfly populations and biology in North America. Some moderately strenuous walking may be involved. *Special Note(s): We will meet at the Chico Park and Ride at Hwys 32 and 99 (the larger east lot) and caravan/carpool to the Reserve. Rain cancels. There is a \$3 NABA participant fee. Limited to 10 participants.*

*Wear/Bring: Everyone should wear sturdy hiking shoes with lugged soles, long-pants, bring food and water, and consider mosquito repellent, a hat, and sun-screen. Poison oak is ubiquitous on the BCCER. A butterfly guide (the laminated fold out pocket guide Butterflies of Northern and Central California by Jim Brock is great for this area) and binoculars will be helpful.*

*For more information about the Reserve, and to find a list of butterflies found in previous years, visit us on our website at [www.csuchico.edu/bccer](http://www.csuchico.edu/bccer), on Facebook at [facebook.com/bigchicocreekecologicalreserve](https://facebook.com/bigchicocreekecologicalreserve) and on Instagram as [csuc\\_reserves](#)*

**Big Chico Creek Ecological Reserve Oak Sapling Survey**

**Peer Leader(s):** Jon Aull; Paul Maslin  
**Friday(s),** Jun 08 • 8 AM–12 PM  
**Location:** Big Chico Creek Ecological Reserve

Help collect data on the survival and growth of oak species as part of a long term study on oak sapling survival and growth. We will go out into the field to take measurements of some of the approximately 200 tagged deciduous oaks on the Reserve. Because these oaks are keystone species, it is important to understand the impact browsing, primarily by black-tailed deer, has on their growth and maturity. The BCCER has caged a number of oaks to prevent this browsing. This ongoing study has implications for restoration and health of the invaluable oak woodland habitat of California. *Special Note(s): We will meet at the Chico Park and Ride at Hwys 32 and 99 (the larger east lot) at 8AM and caravan/carpool to the Reserve. Bring sturdy hiking shoes with lugged soles (if hiking), long-pants (poison oak and burs abound), food and water, and consider mosquito repellent, a hat, and sun-screen.*

**Butte Creek Ecological Preserve Bird Survey**

**Peer Leader(s):** Jon Aull  
**Friday(s),** Jun 15 • 8 AM–12 PM  
**Location:** Butte Creek Ecological Preserve

Help the Butte Creek Ecological Preserve (BCEP) compile a species presence and abundance profile by identifying and counting birds, then uploading the data to ebird, a global database used by educators, land managers, ornithologists, and conservation biologists. The BCEP is a streamside preserve with rich riparian vegetation that attracts many species of birds,

including bald eagles, osprey, and yellow-breasted chat. Otters and beavers have also been seen. We will be walking about 2 miles on mostly level ground. Bring lunch, water, and binoculars, and a bird guide if you have one. *Special Note(s): We will meet at the Chico Park and Ride at Hwys 32 and 99 (the larger east lot) at 8AM and caravan/carpool to the Reserve. Bring sturdy hiking shoes with lugged soles (if hiking), long-pants (poison oak and burs abound), food and water, and consider mosquito repellent, a hat, and sun-screen.*

**Butterfly Valley Flowers**

**Peer Leader(s):** Herman Gray  
**Friday(s),** Jun 08 • 8:30 AM–4 PM  
**Location:** Various

Join me in observing carnivorous pitcher plants and other Feather River wonders on this daytime outing to Butterfly Valley, near Quincy (2-hour drive). Walking shoes, water bottle, and brown bag lunch recommended. Some may choose to drive into Quincy for restaurant lunch (9 miles from observation point). *Special Note(s): We will meet at Park & Ride, east section (nearest mountains), at 8:30 am and car-pool from there.*

**Climate Change Solutions: Research and Action**

**Peer Leader(s):** Gordon Gregory  
**Monday(s),** Jun 04 • 3 PM–4:30 PM  
**Location:** Craig Hall: Gordon 1

Climate Change is one of the most important issues of our time. Learn about what is being done and what CAN be done in a non-partisan, upbeat, solution-focused presentation. From new carbon sequestration technologies to agriculture to clean energies and potential legislation, this course will help you understand where we are now and where we might go to address the great challenge facing us.

**Coffee Shop Cribbage**

**Peer Leader(s):** Susan Levine  
**Wednesday(s),** Jun 06–Jun 27 • 12:30 PM–2:30 PM  
**Location:** Kalico Kitchen

Come play some cards and have some lunch with other OLLI cribbage players. We will meet together at Kalico Kitchen to socialize, play and have some food. Bring your own small board or use one of ours, the only requirement is that you know how to play the game. Beginners welcome if you have the basic rules down.

**Cracker Barrel**

**Peer Leader(s):** Charney Herst; David Price  
**Monday(s),** Jun 04–Jun 25 • 10:30 AM–12:30 PM  
**Location:** Craig Hall: Gordon 1

A scintillating review of current themes in the media will be discussed each class. Class members present a topic, discuss that topic, then open the floor for discussion and debate. Poetry, literature, scientific discovery, educational progress, etc., are examples of the issues dealt with. Special guests are always welcome to present.

**Create Your Own Cartoon Characters**

**Peer Leader(s):** Dick Kennedy  
**Tuesday(s),** Jun 05–Jun 26 • 10:30 AM–12 PM  
**Location:** Craig Hall: Bradley 1

Drawing cartoons is much too enjoyable to be left to professional cartoonists. It's fun stuff! If you haven't tried cartooning because you don't feel you have artistic talent you might want to reconsider. I've designed this introductory course for people just like you. I welcome anyone who would like to learn. Artistic talent is not required! You'll learn much more than how to draw. The characters you create become very real to you. *Special Note(s): All materials supplied by instructor. See attachments for outline and handouts*

**Drawing for Watercolor and Beyond (\$)**

**Peer Leader(s):** Christine MacShane  
**Thursday(s),** Jun 07–Jun 28 • 10:30 AM–12:30 PM  
**Location:** Christine Mac Shane's Studio

Confident sketching is fundamental to the art of watercolor and painting in general. Learn some of the principles of drawing - proportion, perspective and planning - for your watercolor and painting success! *Special Note(s): Materials fee \$25*

**Exploring Direct Spirituality**

**Peer Leader(s):** Despina Gurlides  
**Tuesday(s),** Jun 05–Jun 26 • 1 PM–2:30 PM  
**Location:** Craig Hall: Gordon 2

In this course, we will explore four aspects of direct spirituality, one each session: divine guidance, self-love, forgiveness, and the dark night of the soul (scary and seldom discussed). The teacher will share some of her personal experiences in each area and will ask students for their input. At the end of every class, there will be an exercise in pairs, involving repeating questions such as: • What are you guided to do? • How can you

love yourself more? • Who do you forgive? *Special Note(s): No reading required, just a willingness to explore our inner depths.*

**Finding & Sharing Your Wisdom**

**Peer Leader(s):** Peggy Jennings-Severe  
**Tuesday(s),** Jun 26–Jun 28 • 10:30 AM–12 PM  
**Location:** Craig Hall: Bradley 2

In this highly interactive workshop, you will define wisdom, discuss what it means to be wise, as well as learn how to identify and share your own core values and truths. Emphasis will be placed on the importance of cross-generational conversations, mentoring, and leaving a legacy not tied to money. *Special Note(s): Class meets twice in one week on Tuesday & Thursday.*

**Fundamentals of Drawing (Introductory with Pencil)**

**Peer Leader(s):** Dick Kennedy  
**Wednesday(s),** Jun 06–Jun 27 • 10:30 AM–12 PM  
**Location:** Craig Hall: Bradley 1

Paper is a 2-dimensional surface. Every line you draw on its surface is in the exact same plane as the paper. Drawing on it can only produce flat, 2-dimensional images. In order to give the sense of 3 dimensions on that surface you need to create an illusion. In this course you will learn how to apply proven fundamentals that artists use to create that illusion. Course includes an introduction to 1, 2 & 3 point perspective. No experience required! *Special Note(s): Materials supplied by instructor. See attachments for outline and handouts.*

**Introduction to the Big Chico Creek Ecological Reserve**

**Peer Leader(s):** Jon Aull; Paul Maslin  
**Monday(s),** Jun 04 • 8 AM–12 PM  
**Location:** Big Chico Creek Ecological Reserve

Just on the other side of Bidwell Park is a little known gem of a natural area: the 3,950 acre BCCER, open to the public. In this program for all abilities, we will see the effects of cutting edge woodland and grassland restoration efforts on the Reserve, and discuss ongoing research. Vehicle access is limited, so this is a rare chance to be shuttled 1000 ft. down into the Canyon to view the Chico formation, an ancient seabed studded with fossils. There will be an option for hiking for those who want to stretch their legs. *Special Note(s): We will meet at the Chico Park and Ride at Hwys 32 and 99 (the larger east lot) at 8AM and caravan/carpool to the Reserve. Bring sturdy hiking shoes with lugged soles (if hiking), long-pants (poison oak and burs abound), food and water, and consider mosquito repellent, a hat, and sun-screen.*

**Kayaks Kickin' Off the Summer (\$)**

**Peer Leader(s):** Pamela Waldsmith; Wendy Pine  
**Thursday(s),** Jun 14 • 8:30 AM–12:30 PM  
**Location:** Forebay Aquatic Center

Water... Challenge... Wildlife... Exercise... Enjoyment... Try out sit-on-top kayaking to kick off your summer at the Forebay Aquatic Center on Lake Oroville. The aquatic center will provide safety instruction along with rental of a boat, paddle, and personal flotation device at discounted costs for OLLI participants. We will be there to encourage and assist you along the way. You should then have ample time to practice your paddling, enjoy the outdoors, and/or get some fun exercise in for the day. *Special Note(s): Meet at Park 'n Ride closest to freeway by 8:30 for those who wish to carpool. We will return to Park 'n Ride by 12:30. Our time at the center will be from 9 - 12. \$25 will be the cost per person for kayaking (a deal for OLLI people!) paid to Forebay Aquatic Center. \$8 per car for parking unless you have a pass. Be prepared for any type of weather and have plenty of water. You may want to bring some food for after our kayaking instruction. There's a nice picnic area for those who'd like to stay a little longer. Wear clothing and shoes that can get wet, just in case. Bring your sense of adventure!*

**Let's Make Jam with No Sugar**

**Peer Leader(s):** Bill Augros  
**Saturday(s),** Jun 23 • 1 PM–4 PM  
**Location:** Faith Lutheran Church

Normal pectin requires sugar for jam to gel. Other kinds of sweetener do not work. In fact, it requires seven cups of sugar to four cups of fruit to make jam. So the jam is 77% sugar! Pomona's Universal Pectin requires NO SUGAR. Come to this class to learn how to make jam with NO or very little sugar (or other sweetener of choice). You will also be able to take home some jam & jelly samples. Class notes will be emailed before the class. Everything will be provided. Donations will be accepted. This workshop is highly interactive and fun! *Special Note(s): Class meets twice in one week on Tuesday & Thursday.*

**Life Talks - Creating Conversations, Connections & Traditions**

**Peer Leader(s):** Peggy Jennings-Severe  
**Tuesday(s),** Jun 19–Jun 21 • 10:30 AM–12 PM  
**Location:** Craig Hall: Bradley 2

Learn simple, effective, and sustainable tools for having more meaningful and satisfying conversations with your spouses, children, grandchildren, friends and acquaintances. Participants will also learn how to build traditions that allow and create an environment that supports connections and a sense of community.

**Medieval Meandering, English Style**

**Peer Leader(s):** Leanne Ulvang

**Tuesday(s),** Jun 05–Jun 26 • 1 PM–2:30 PM

**Location:** Craig Hall: Gordon 1

Join me as we walk, trot, jostle, row and sail around, to and from England. Conquests, crusades and pilgrimage were only a few of the reasons for travel in the Middle Ages. Whether seeking divorce in Rome, importing Rhenish wine, expanding wool trade, crusading in the Baltic area (yes, Baltic — think Lithuania), or just being tourists, medieval people (women too) traveled more than we often think. We'll encounter a few characters from last summer's Medieval Mayhem — with no dates to memorize, just interesting accounts of life on the road.

**Movies at the Pageant Theatre (\$)**

**Peer Leader(s):** Bill Augros

**Sunday(s),** Jun 03–Jul 01 • 2 PM–5 PM

**Location:** Pageant Theatre

Meet at the Pageant Theatre to enjoy a movie and then discuss it together afterward over refreshments at Faith Lutheran Church. Tickets are \$6.50 senior price at the door. A description of all the movies we'll see will be sent by email or letter to each person enrolled in the class. Please bring half a dozen cookies or equivalent per person per movie to share. Coffee, tea, hot chocolate, and ice water will be provided

**OLLI Book Group**

**Peer Leader(s):** Marian Milling; Cindy Weiner

**Thursday(s),** Jun 07 • 10:30 AM–12 PM

**Location:** Craig Hall: Gordon 2

Participants will read and discuss a wide variety of books, from short stories, classic novels, contemporary novels, biographies to non-fiction. Information about currently scheduled books and books that have been read previously in the group can be found on the web site at [ollibookgroup.blogspot.com](http://ollibookgroup.blogspot.com). The same website links to copy availability of each book, either through the local libraries or to purchase. It also offers a method to make suggestions for future reading. *Special Note(s): The book group will continue along with the OLLI summer schedule and therefore will have one summer meeting in June. In keeping with the First Thursday date we've had this past term, that meeting will be on June 7.*

**OLLI Campers: Lakes Basin (\$)**

**Peer Leader(s):** Lorna Cunkle; Lorraine Smith

**Tuesday(s),** Aug 14–Aug 24 • 1 PM–3 PM

**Location:** Various

The Lakes Basin Recreation Area between Sierra City and Graeagle includes breathtaking scenery and more than 20 natural glacial lakes, most of which are accessible by well-maintained hiking trails. This area is also good for fishing, swimming, kayaking, birding, and photography. Optional hike to the fire lookout on the top of Sierra Buttes' craggy peaks. Lots of easy waterfall hikes, too. We've reserved a site at the Lakes Basin Group Campground in the Plumas National Forest, 9 miles southwest of Graeagle. Tent camping; small camper vans, and small cabover campers okay. No RVs or trailers. *Special Note(s): There will be a required pre-trip meeting in Craig Hall: Gordon 1 on August 14, 1 p.m. We'll camp 3 nights the next week beginning Tuesday, Aug. 21. Our group campsite sits at an elevation of 6,400 feet among fir and aspen trees in a field of granite boulders. We'll have bear boxes, a fire ring, tables, vault toilets, and potable water. The campground is about 120 miles from Chico, a 2.5-hour car ride. We'll share the cost of the campsite (+/- \$25/person, depending on size of group).*

**OLLI Hikers: Colby Meadows**

**Peer Leader(s):** Lorna Cunkle; Wendy Pine;

**Friday(s),** Jun 22 • 7:30 AM–4 PM

**Location:** Various

We'll hike a moderate four miles (with 450 feet of elevation gain) along Colby Creek and through meadows filled with wildflowers. Boots will be essential because the meadows may still be damp. Our trailhead is at 4,750 feet, high enough to escape the valley heat. We'll move at a leisurely pace with plenty of time to take photographs, smell the flowers, and make new friends. *Special Note(s): We'll meet for carpooling at 7:30 AM, with a return time no later than 4 PM. Specific instructions, including carpool locations, will be provided the week before the hike. Wear layered clothing, a hat, and sturdy hiking boots. Bring water, lunch, and sunscreen. No dogs. Rain cancels.*

**OLLI Hikers: Women's Hike to Cub-Butt Divide**

**Peer Leader(s):** Lorraine Smith; Cynthia Finnegan/Weeks

**Friday(s),** Jun 29 • 8 AM–4 PM

**Location:** Various

360 degree views will be a highlight of this moderate hike (4.3 miles, 650' elevation gain). Our path will follow the Pacific Crest Trail through forest and then onto the ridge between Cub Creek and Butt Creek. Along the way we'll have opportunities to see wildflowers, birds, and a variety of landscapes. From our lunch spot atop the ridge we'll have beautiful views of Lassen and nearby (and distant) mountain ranges. Our pace will be leisurely, with time to take photographs, identify wildflowers and birds, and enjoy the view. Team up with other women to create a fun outdoor adventure!

**Truth and Beauty: the Pre-Raphaelites and the Old Masters ~ Art Lecture**

**Peer Leader(s):** Dolores Mitchell  
**Wednesday(s),** Jun 27 • 1 PM–2:30 PM  
**Location:** Craig Hall: Gordon 1

In the Revolutionary year of 1848, seven young Englishmen, including William Holman Hunt, John Everett Millais and Dante Gabriel Rossetti, banded together to reject bloodless Victorian art in favor of the simplicity, spirituality and beauty of early Renaissance art in Italy and the Netherlands. As they aged, the Pre-Raphaelites painted increasingly lush, intricate works with dark psychological undertones. Using wives and mistresses as models, they created archetypal images of women as either redeemers or as femme fatales. *Special Note(s):* OLLI will have a Bus Trip to the Legion of Honor Museum, San Francisco for the exhibition "Truth and Beauty: the Pre-Raphaelites and the Old Masters" on June 30, 2018.
