Getting Started: myPLTW and PLTW Professional Development

We know you're eager to sign up for PLTW Professional Development, and we can't wait for you to experience it. One of the first things PLTW teachers need is a myPLTW user account, which gives them access to curriculum, the myPLTW Store, PLTW Professional Development, announcements, and more. Program Coordinators (PC) or Site Coordinators (SC) add new teachers to their school/site to grant them myPLTW access via the Add User feature. Next, teachers register for their PLTW Professional Development experiences through myPLTW. *Note: Teachers must register themselves for training.*

To get started, please follow the steps below:

PC and SC: Add User to myPLTW

1. Click **My Sites** on the menu bar.
2. Click **Manage Site** next to the applicable site.
3. Click **Add User**.
4. Complete the user information required (First Name, Last Name, Phone, Email, Title, and User Role).
5. Click **Create User**.

Please be aware that it may take up to 15 minutes before teachers will be able to fully access their accounts and register for professional development opportunities.
