Featured Speakers

Alycia Anderson - Getting to the Heart of Disabling Ableism: The Modern Pathway to Inclusion

Alycia is on a mission to motivate and invoke change through the power of diversity and inclusion. She shares her journey globally to help communities and companies understand the true benefits inherent to building a diverse, inclusive and accessible workplace and society. Shining light on how our diversities are core to the qualities that make each of us uniquely qualified and able in life, Alycia right sizes everyday obstacles to open your mind to a world of possibility. And that’s how she rolls!

Steve Silberman - Steve is an award-winning science writer and the author of NeuroTribes: The Legacy of Autism and the Future of Neurodiversity. He has given talks on the history of autism at Yale, Harvard, MIT, Oxford, Apple, Microsoft, Google, the MIND Institute at UC Davis, and many other major institutions. His TED talk, “The Forgotten History of Autism,” has been viewed more than a million times and translated into 25 languages. Silberman’s writing on science, culture, and literature has been collected in a number of major anthologies.
