

Spring 2023 ElderCollege

ElderCollege is an opportunity for persons aged 60+ to participate as a guest in regularly scheduled university classes on a space-available, non-credit basis with the instructor's permission. As an ElderCollege participant, you are a guest in the class and participation in graded activities is not required. If you wish to complete assignments and take tests, request permission from the instructor.

FEES

- You may attend any number of classes in each semester for a \$75 fee. If a class has a separate materials fee, you will be responsible for paying that directly to the department of the course.
- You will need a Wildcat ID Card (\$2 fee) to check out books or utilize other library services. You can also use your ID card to ride the B-line buses free. Two business days after registration, you can get your card from the Wildcat ID Card office in Meriam Library, Room 144.

REGISTRATION

The spring 2023 semester begins January 23. ElderCollege registration begins on that date and is open until February 17. A \$10 late fee will be charged for any registrations after February 17.

Step 1: Select a Class You'd Like to Take

- Select the class(es) you would like to attend from the Chico State schedule of courses available on the [Chico State class schedule](#).
- Use the filters to narrow your options and/or help you find a class. You should start with selecting the upcoming term (1), and then use the subject drop-down menu (2) and/or keyword search (3). Also check the Show Open Classes Only box (4).

The screenshot shows the CSU Chico Class Schedule website. On the left is a dark red navigation menu with icons and text for 'Class Schedule', 'Enrollment', 'Academic Progress', 'Resources', 'Advising at Chico State', and 'Campus Portal'. The main content area is titled 'Class Schedule' and features a search interface. At the top of the search area, it says 'Select all required (*) search criteria.' Below this are several input fields: 'Term:' with a dropdown menu set to 'Spring 2023' (callout 1), 'Subject:' with a dropdown menu (callout 2), 'Course Number', 'Keyword', 'Class Attribute' with a dropdown, and 'Class Attribute Value' with a dropdown. A 'More Filters' button with a callout 2 is also present. A 'Search' button is located below the filters. A checkbox labeled 'Show Open Classes Only' with a callout 4 is checked. A list of subject categories is displayed, including 'Any Subject', 'Accounting - ACCT', 'Advanced Mfg/Applied Robotics - AMAR', 'African American Studies - AFAM', 'Agricultural Business - ABUS', and 'Agricultural Education - AGED'. The callouts 1, 2, 3, and 4 are yellow circles with black numbers.

Dear Faculty,

This letter is to introduce a participant in ElderCollege who is interested in sitting in on your class as an observer without credit or official status.

ElderCollege, a Continuing Education program that has operated very successfully for many years, serves a very active and growing group of retired persons who are making efforts to participate in a lifelong learning process. They are very supportive of California State University, Chico, and we wish to assist them in any way we can.

While it is at the faculty member's discretion that ElderCollege participants attend their classes, I encourage you to approve this request on a space-available basis. I am sure that everyone involved will benefit from such an experience.

Sincerely,

Clare VanNess, Interim Dean
Professional & Continuing Education
