Welcome!

Retirement is the time of life to explore what you want, instead of what you have to do. OLLI at CSU, Chico is celebrating 30 years of offering our members opportunities to learn and explore in many directions. No matter what you are thinking of delving into or expanding, there will probably be classes to suit. Our classes are taught by volunteers called Peer Leaders that are excited to share their passions with you.

What about art? Learn about the art of ancient India, take a dive into Russian culture and art history, learn to draw and paint human figures or try your hand at acrylic painting. Up the quality of your picture taking by learning better techniques in photography. Enjoy looking at art with a social group that visits local galleries. Perhaps you paint already and would like to join a group of artists for connection and support. From learning about it, looking at it, or making it, art enriches your life.

Do you want to move more in a fun environment? How about dancing or hiking? Bird watching gets you out into the fields and waterways around town to breathe the country air and look at nature’s creatures. You can join a group that walks in Bidwell Park each week or take hikes into the foothills.

Interested in learning some useful information? OLLI offers classes for your computer and smart phone, as well as information about handling money and estates. Maybe you want to learn French or how to play the ukulele. You can learn how to play the card game cribbage and teach it to your family members.

YOU’RE INVITED!

Bring family & friends to the OLLI Fall Class Preview. Visit with other OLLI members, preview upcoming courses, and meet our Peer Leaders.

**Comanche Creek Greenway: A Walk**  

**Peer Leader(s):** Liz Stewart  
**Sat, Sep 22 • 10:00 AM–12:00 PM**  
**Location:** Comanche Creek Greenway

In 2006 the City of Chico purchased approximately 20 acres on both sides of Comanche Creek in South Chico. Edgar Slough was its historic name. Then, in July 2016, after a years-long effort to clear out invasive plants, buried trash and the construction of trails and a bike/pedestrian bridge, the greenway was finally opened to the public. Friends of Comanche Creek Greenway have worked with the Parks Division of Public Works to help turn this area into a more accessible space for the public to explore and enjoy. Come learn about the plants and historic use of the area. **Special Note(s):** The length of the walk is approximately one mile, lasting about 2 hours. We’ll meet at the end of Otterson Drive, on the south side of the greenway. Parking is available on the street or in the Mosquito District lot. Wear close-toed shoes and bring water and a sack lunch. (If Country Morning Bakery and Cafe is still open, that’s a great place for sandwiches and tea or sodas).

At 1.2 miles, the going gets difficult with huge rocks to climb, so we’ll turn around and, after returning to the Doe Mill Bridge, hike upstream on the east side of Butte Creek. We think this is the best hike in Butte County for fall colors. Although this hike is only 4 miles (elevation gain 575 feet), parts of the trail are challenging (very rocky, downed tree to climb over, one very steep section). Special Note(s): Specific instructions, including carpool locations, will be provided the week before the hike.
Wear layered clothing, a hat, and sturdy hiking shoes/boots. Bring water, lunch, and a sense of adventure. No dogs. We'll reschedule in case of rain.

Green Island Lake has unusual plants and a floating bog of vegetation, one of only two in Lassen National Forest. If it's a warm, sunny day, even at high elevation, we'll cool off in the deeper Saucer Lake. Special Note(s): We'll meet for carpooling at 8:00 AM, with a return time no later than 5 PM. Specific instructions, including carpool locations, will be provided the week before the hike. Wear layered clothing, a hat, and sturdy hiking shoes/boots. Bring water, lunch, sunscreen, water shoes, and a bathing suit. No dogs. Rain cancels. We will move along at a steady but comfortable rate with time to enjoy the incredible outdoor beauty.
