The Osher Lifelong Learning Institute (OLLI) at CSU, Chico offers those age 50 and better more than 300 enrichment opportunities annually in a climate fostering friendship and the mutual sharing of ideas and life experiences. We are a member-centered, member-led program. Members decide which classes to offer and when to offer them. They plan and host social events. They set the tone for learning that reflects THEIR interests.

The OLLI fall schedule offers a cultural feast celebrating a wide array of interests in history, **literature**, the natural and social sciences, fine arts, and **current events**. Interested in enhancing your financial life? OLLI offers classes in estate planning, **investing**, and retirement strategies. Thinking about using the extra cash to travel? Learn a second **language**, explore the world, or upgrade your **photography** skills.

Need to move your body? Classes in **dance** are fun, as is walking, **hiking**, Tai Chi, and visiting local parks. Try relaxation techniques through **meditation** or **mindfulness** for health.

Treat yourself to new experiences and delight in human creativity with more than a dozen classes in **music** and the arts, like singing, **guitar**, coloring, **painting**, and **museum tours**. All of these are made possible by our volunteer instructors, called Peer Leaders, who share their talents and passions with our membership!
