## SUMMER 2019

# Highland Peoples of Southeast Asia

June 3–July 3, 2019 | Earn 6 Units!

Join us as we embark on a journey to one of the most ethnically-diverse regions of the world. Study abroad in northern Thailand with a stop in southern China. From our base at Payap University in Chiang Mai, Thailand, we will explore the lives, histories, interactions, and movement of highlands peoples of Southeast Asia.

From tourist villages and theme parks, community markets and workshops, to religious sites and refugee camps, this faculty-led program will take you deep into this complex landscape to navigate the impacts of political, economic, and cultural change. This highly engaging program will provide a unique opportunity to become actively involved in learning and conducting research in this culturally-diverse environment.
