

FACULTY-LED SUMMER 2020

STUDY ABROAD PROGRAMS

Highland Peoples of Southeast Asia

June 9–July 4, 2020 | Earn 6 Units!

Join us as we embark on a journey to northern Thailand, one of the most ethnically-diverse regions of the world. From our base at Payap University in Chiang Mai, Thailand, we will explore the lives, histories, interactions, and movement of highlands peoples of Southeast Asia.

This highly-engaging program will provide a unique opportunity to become actively involved in learning about tourism development, ethnic diversity, and field research. From tourist villages and theme parks, community markets and workshops, to religious sites, this faculty-led program will take you deep into this complex landscape to navigate the impacts of political, economic, and cultural change on highland communities.
