

## Summer Financial Aid Information for Online BSBA Program

### Summer Financial Aid Process

**Step 1: Enroll in Summer Coursework:** Students must be enrolled in summer coursework before summer financial aid can be offered. Students planning to use financial aid to assist with summer tuition can submit their summer registration request online without payment. Indicate in the order comments field that you'll be using your financial aid or loan to pay fees. To avoid issues, please enroll in all planned summer coursework at one time.

**Step 2: Review Summer Financial Aid Offer:** After enrolling in summer courses, you will be offered summer financial aid. You will receive an email from the financial aid office once your summer aid offer is ready to view. You can then access your Student Center through the [Chico State Portal](#) to view your offer.

**Step 3: Accept/Decline Summer Financial Aid:** Accept your summer financial aid awards in the Student Center. Accepted financial aid, also called anticipated aid, will serve to defer tuition. Students whose anticipated summer aid is equal to or greater than their summer tuition will not need to make any payment arrangements. Summer tuition payment will be deferred until summer financial aid disburses and pays down the summer tuition balance.

**Step 4: Pay Remaining Summer Balance** (if necessary): If your anticipated summer aid award is not enough to cover your entire summer tuition charge, you will need to pay the remaining balance by May 5. Students who have not paid their balance by May 5<sup>th</sup>, or made other payment arrangements with [Professional & Continuing Education](#), will be dropped from their classes for non-payment.
