

## Summer Term 2019: June 3–28

Here are a few of the 35 classes and activities this summer! The complete Summer 2019 Class Schedule is available online or in the OLLI office.

### Wine Tasting at LaRocca Vineyards Tasting Room

LaRocca Vineyards is nestled on Doe Mill Ridge, overlooking Butte Creek Canyon. Learning about and tasting their delicious certified organic wines.

### Climate Change: The Science, Effects, and Future

Learn about the science of climate change—how we know it’s happening, its effects, and what we can do to reduce the risks—as well as how warming temperatures drive wildfire.

### Lunch Around the World

Four restaurants, four cuisines, four weeks! Enjoy good food and make new friends in OLLI.

### Local Author Lecture Series

Come hear from local authors who will tell about what led them to write their book(s), their writing experiences, and how the publications came about.

### Birding Hike to Cub-Butt Divide

A 4.3-mile hike along the Pacific Crest Trail onto the ridge between Cub and Butt Creeks. Along our route we’ll spot and identify birds and wildflowers and to enjoy a variety of landscapes. Bring your binoculars!

## Become a Summer Member Today!

Summer membership is \$75, unless already purchased as part of a membership bundle.

### Soil Health: The Mystery Under Our Feet

Science and technology are revealing a wonderLAND under our feet that we have only begun to understand or explore. Explore how these new discoveries can meet the food and climate challenges presented by a growing population and climate change.

### Acrylic Painting

Hands-on classes for both beginning- and intermediate-level artists using acrylic paint and mixed medias.

### Aviation History at the Chico Air Museum

In discussion and a field trip, learn some aviation history and the Chico Air Museum!

### People, Passion, Performance: The Power of Nonprofit Leadership

This one day leadership development workshop can help current and aspiring nonprofit leaders deepen their understanding of the nonprofit community and how best to advance missions that matter.

### Kayaks and Stand-up Paddle Boards

Spend the day kayaking and trying Stand Up Paddleboards (SUPs) at the Forebay Aquatic Center in Oroville.
